

"STEPZ proven method of teaching dance has become a highlight in our school calendar"

"This is one of the best social skills programs I have ever seen"

Owen Alexander Principal Takapuna Normal Intermediate School

Our programme introduces into the school a selection of;

- ❖ Latin American dances such as Salsa, Merengue and Rock 'n' Roll
- ❖ Hip hop, Latino and other modern choreography to popular music
- ❖ Fun change of partner dances

We would be happy to discuss your schools particular needs with you

STEPZ dance studio

ANI Intermediate School

STEPZ Dance Studio is run by Michael Nicholas and Sonia Mansell, former New Zealand Professional Latin and Ballroom Champions and World representatives. They have been teaching dance in schools since 1984. STEPZ specialize in school based programmes and currently teach at schools throughout the greater Auckland area. STEPZ teach all levels from pre – school classes to adult professional level

Size of groups and pricing

We take any size group from single classes to whole syndicates. Lessons are charged at just \$2.50 per pupil, per lesson. Minimum charge per session is \$75 if class size is less than 30 students. Each lesson is 45 minutes duration. Most schools average 4 to 6 lessons.

- ❖ **STEPZ is currently offering a FREE promotional dance lesson for your students, to showcase and introduce our programme to you school.**

If you have any specific requests in relation to the services we provide, we would be very happy to hear from you

Additional services we provide are

- 1) A disc jockey/dance teacher for your school social or ball, who can incorporate the dances learnt in the school programme. We can provide sound systems, lighting and appropriate music for the age level.
- 2) Dances for adults such as P.T.A functions and fund raisers

"I would highly recommend STEPZ dance studios to any school interested in adding social etiquette and fun in dance to their school programme. We wouldn't be without it."

Heather Bartlett

Associate Principal Northcote Primary

ANI Intermediate school

"The STEPZ dance programme engages students in the art of dance through a variety of styles in a way that really engages this generation. The big plus for 11-13 year olds is the development of social skills in a positive peer context whilst students share in a lot of fun."

Owen Alexander: Principal Takapuna Normal Intermediate school.

ANI Intermediate school

"STEPZ dance programme not only teaches us all how to dance in a variety of styles but does so in a way that is high energy fun"

"The STEPZ dance programme is a mixture of high energy fun and positive peer interactions"
